

## MARNGROOK FOOTBALL SHOW MAY 2018

On Wednesday the 9<sup>th</sup> of May 2018, support employee staff member Louise Kirkham (Staff member from Aurora) volunteered her time to take a group of six IDV Supported Employees and Participants to the Marngrook Footy show. Louise has volunteered many times over the years taking the group to the Footy show.

Louise ensured they were all wearing their favourite football team apparel before the group headed off to Burwood. There they all enjoyed spending time together, dining out at Sofia's restaurant, before heading to the Marngrook Footy show.

During the pre-show entertainment, two of the men won prizes for their football knowledge; both winning a signed copy of a football book, that had been signed by the cast and the special guests who appeared on the Footy show. Click the following link for the video
