

ROYAL MELBOURNE SHOW 2018 – MONSTER TRUCK RALLY

Paul was supported to attend the Royal Melbourne Show by staff member Antonio.

When Paul was watching the Monster Truck show, he was very excited and animated. At the end of the show, a woman approached Paul, and introduced herself as one of the show organisers.

She stated that she was watching Paul during the show, and was impressed with Paul's reactions. She then asked Paul if he would like to see some of the trucks up close.

She proceeded to take Paul down to the arena, and showed him some of the monster trucks, and introduced him to some of the driver's.

Paul stated, "I had the best time of my life."
